

**Q: Will there be opportunities to volunteer? Are they safe?**

**A:** Yes! The Atlanta communities need our volunteers! There are many opportunities to volunteer, in person and virtually. To stay up to date with volunteer service, join Givepulse and our Panther Involvement Network (PIN). SCE sponsored service events, such as Panther Plunge, will engage small groups of students in service projects. Participants will practice social distancing and wear masks.

**Q: Will there still be opportunities to earn federal work study through community service?**

**A:** Yes! There are many opportunities to apply for community federal work study positions. All positions are posted on Handshake. Please contact Paula Brisco at [pbrisco@gsu.edu](mailto:pbrisco@gsu.edu) for more information on how to participate in our community federal work study program.

**Q: Will the Panther's Pantry be open?**

**A:** Yes, the Panther Pantries are re-opening. To view their schedule please visit <https://lewis.gsu.edu/nutrition/panthers-pantry/>
